

Please notify AMRPE if a family member should be removed from our membership lists. We no longer have the ability to gather this information from MPERA.

“As of March 2014, due to changes in federal law, the Montana Public Employees Retirement Administration (MPERA) is no longer able to share with the Association of Montana Retired Public Employees (AMRPE) any information concerning the death of a member of AMRPE that is solely received by MPERA from the Social Security Administration’s Death Master File. Any unauthorized sharing of this information by MPERA to AMRPE exposes both MPERA and AMRPE to monetary penalties.” - MPERA
